Evangelistic Series by A. N. Martin

Proverbs 28:13 **A. N. Martin**
EV-A-C3 audio cassettes\$9.00
Everyone who has ever lived will be a monument of this universally extensive and binding spiritual law: a monument of someone who tried to live in violation of it, or one who has tried by grace to live in the light of it: "He who covers his sin shall not prosper!"

What Is a Christian? **A. N. Martin**
EV-D-C2 audio cassettes\$6.00
EV-D-D2 compact discs\$6.00
Contents: Keeps the Commandments of God; Keeps the Faith of Jesus Christ.

The Most Terrible Words **A. N. Martin**
EX-U-C2 audio cassettes\$6.00
"Depart from me ye cursed into the eternal fire which is prepared for the devil and his angels." Matthew 25:41 These two messages will be laughed off by some as "hell-fire and damnation." But there is a day coming when many will hear these terrible words directly from Jesus. These sermons were preached in hope that you will not be one of them.

Coming to Christ **A. N. Martin**
EV-C-C3 audio cassettes\$9.00
EV-C-M3 messages in MP3 format\$3.00
These messages contain some of the best material for someone awakened to his or her need of Christ. Pastor Martin explores the need that only Christ can meet, His suitability to meet that need, and how a sinner actually comes to Christ for true satisfaction of his needs.

The Narrow Way **A. N. Martin**
EV-Y-C11 audio cassettes\$30.25
EV-Y-D11 compact discs\$30.25
EV-Y-M11 messages in MP3 format\$11.00
In this stunning word picture Jesus describes the nature of radical, biblical conversion and discipleship. Only the narrow gate and the restricted way lead to life, and only a few are found on that path. The gate is so narrow that we must drop the baggage of our self-righteousness, self-will, sin, and love of the world. The way is so compressed that we must leave off those patterns and take up the ways of Jesus Christ. The issue at stake is nothing

less than eternal destruction or eternal life! This is a compelling and searching series for every person who truly wants to avoid the destruction awaiting those on the broad way and to gain the eternal life to which Christ in His mercy points us.

Signposts to the Celestial City **A. N. Martin**
EV-R-C14 audio cassettes\$42.00
Some texts of Scripture are like signposts, marking out the way to heaven. In this series of sermons, Pastor Martin draws on thirteen such texts. The first five sermons stress the free offer of the Gospel, and the next eight warn against rejecting that offer. The final message, What is the Gospel? summarizes the good news of salvation. Here is a wealth of material for Bible studies and witnessing opportunities. But the believer can also benefit by using these expositions to strengthen his working knowledge of key Gospel texts. These tapes are available either individually or in a series.

- #2 The Way of Forgiveness (Acts 13:38-41)

Reasons Why Some Will Not Come to Christ

A. N. Martin
EV-T-C2 audio cassettes\$6.00
"And you will not come to me that you might have life" (John 5:40). These are some of the saddest words recorded in all of Holy Scripture. Sadder still is the fact that they can be spoken of many today. Pastor Martin confronts three obstacles that keep men from Christ: insensitivity to their need of him; impenitence before his demands; and unbelief with respect to his promises.

True Discipleship **A. N. Martin**
EV-U-C3 audio cassettes\$9.00

EV-V-D4 compact discs\$12.00
"The Lord is not slack concerning his promise, as some count slackness, but is longsuffering toward us, not willing that any should perish but that all should come to repentance" (2 Peter 3:9). Pastor Martin explains the necessity, nature, substance, and fruit of repentance unto life.

Depart from Me, you cursed, into the everlasting fire prepared for the devil and his angels: (Matthew 25:41). Pastor Martin didn't want to preach this series, so he began by giving five reasons why he must preach it and why we must meditate seriously upon God's wrath, justice, and fury embodied in such a text.

Searching Questions A. N. Martin

TO-R-C 3 audio cassettes \$15.00
Where are you? What have you done?

The overtures of God's grace often come in the form of probing questions, similar to those God asked Adam and Eve after the Fall. With that principle before him, Pastor Martin addresses these three searching questions. We strongly encourage you to consider them seriously and to answer them honestly.

The Life of Elijah A. N. Martin

EP-C-C 5 audio cassettes \$15.00

Under the reign of Solomon, Israel attained the height of her glory. As the blessings of the covenant abounded within her borders, she became a witness of God's truth to the ends of the earth. But Solomon's unchecked lust for foreign women started the entire nation on a moral slide. Now, under Ahab, Israel has degenerated into a center for Baal-worship. Into this decay God thrusts Elijah—prophet of fire—to call the nation back to Himself. Examples of holiness and demonstrations of Jehovah's character abound in this series of five messages.

The obedience God requires of us is summarily comprehended in the Ten Commandments. Pastor Martin gives three lines of evidence to support this assertion: 1) The unquestionable evidence of the influence of the Ten Commandments upon all men by nature, 2) the unusual circumstances surrounding the giving of the Ten Commandments on Mt. Sinai, and 3) the obvious presence of the Ten Commandments in the New Testament as

an unchanging and binding standard of righteousness.

Baptism is the gospel in sign language—it is a visual representation of what Christ has done for us in grace. To tamper with the symbolism of baptism is, then, to tamper with the gospel itself. These two messages examine the significance of baptism in the light of our Lord's commission to make disciples and baptize them.

Baptism in the Light of the New Testament **G. G. Nichols**
For people honestly wrestling with the place of baptism in Christian belief and practice, we recommend this careful and thorough analysis of the biblical evidence. Doctrines of Grace

A. N. Martin

TO-I-C5 audio cassettes\$15.00

Pastor Martin gives an excellent introduction to the doctrines of grace as he gives a brief but direct treatment of each tenet: total depravity, unconditional election, particular redemption, effectual calling and the final perseverance of the saints.

Here We Stand

A. N. Martin

Here We Stand is a practical, systematic study of Christian doctrine for the layman. These sermons are intended to confirm the faith of mature believers, acquaint recent converts with foundational Christian doctrines, and inform the unconverted as to the truths of Christianity. This series is ideal for personal or group study. Particular emphasis is given to the person and work of Christ and the central blessings of salvation. Our hope in recommending these titles is that they will compel you to praise and worship, immunize you against error, and provoke you to love and good works.

Unit 1: Foundational Perspectives

TO-Q-U110 audio cassettes\$30.00

Contents: Goals of this Study; The Book We Believe and Obey; God of Absolute Perfection; God of Unrivaled Sovereignty; God of Infinite Goodness; God of Inscrutable Tri-personality; Salvation of Man; Salvation of the Earth; Unconditional Election.

Unit 2: The Person and Work of Christ

TO-Q-U220 audio cassettes\$60.00

Foundational to the Christian religion is the fact that Jesus Christ is the Second Person of the Triune God. For nearly twenty centuries this truth has been attacked, obscured, denied or ignored—even within the Christian church. Going back to the plain teaching of Scripture, Pastor Martin presents the biblical basis for this central tenet of our faith. This portrayal of our Lord Jesus Christ is both instructive and devotional.

Unit 3: The Offices of Christ / Christ as Priest

TO-Q-U316 audio cassettes\$48.00

Jesus Christ fulfills three offices in his work of salvation: priest, prophet and king. Christ Jesus performed the work of sacrifice in his atoning death upon the cross. The concept of propitiation is treated at length in this series, as is Christ's ongoing work of intercession for his people on earth.

Unit 4: Christ as Prophet

TO-Q-U48 audio cassettes\$24.00

A prophet, in the biblical use of the term, is one who brings the Word of God to others. As such, we must recognize the prophetic office of Christ to each believer individually and to his church corporately.

Unit 5: Christ as King

TO-Q-U514 audio cassettes\$42.00

The kingship of Christ is confirmed from the Old Testament to the Book of the Revelation. This series will convince you that Christ is a real king and that he presently reigns in all his glorious majesty.

Unit 6: The Cardinal Blessings of Salvation: Calling and Regeneration

TO-Q-U611 audio cassettes\$33.00

Contents: Importance of the Doctrine of Calling; Effectual Call; Regeneration.

Unit 7: The Cardinal Blessings of Salvation: Justification

TO-Q-U715 audio cassettes\$45.00

What is more important to a man than the day he will stand before God's judgment bar? Will he be accepted or condemned? Justification through faith in Christ alone is the great hope of the Christian. This series opens the doctrine of justification and offers solid assurance to the believer through a proper understanding of God's free grace.

Unit 8: The Cardinal Blessings of Salvation: Adoption

TO-Q-U87 audio cassettes\$21.00

Pastor Martin shows that adoption speaks powerfully of the magnitude of God's mercy. That we should be forgiven all our sin is wonder enough, but that pardoned rebels should become God's very sons & daughters is beyond human thought.

Unit 9: The Cardinal Blessings of Salvation: Sanctification

TO-Q-U915 audio cassettes\$45.00

Pastor Martin shows that the life of a Christian begins with a definitive death to sin and moves progressively toward a life of universal holiness, and ultimately to final glorification. Excellent material for understanding the process of sanctification and our duties in it.

The Sovereignty of God

A. N. Martin

TO-C-C16 audio cassettes\$48.00

In one of the earliest series from the Trinity Pulpit, and one of the most popular, Pastor Martin sets out a broad biblical perspective on the sovereignty of God. Tapes 1-6 present God's sovereignty in creation, providence and grace and then define biblical terms such as election, predestination and calling. Tapes 7-12 open up the teaching of various New Testament passages, especially Romans 9. Tapes 13-16 address common objections to this doctrine and the impact it should have on our lives.

Edward Donnelly

TD-3-C1 audio cassette\$3.00

“And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.” John Calvin once wrote, “The power of bruising Satan is imparted to faithful men. It is the common property of the whole church.” In a masterful exposition, Professor Donnelly shows how the prophecy of that it must be fulfilled in the life of every faithful believer. God will crush Satan under our feet, but it will cost us bruising, even as it cost our Lord. This sermon is a rallying call for every true saint to follow Christ into battle with the serpent.

If you knew that within 24 hours you would leave this life by the door of death, nothing would be more crucial to you than the answer to this question: How may I, a sinner, be certain beyond a shadow of a doubt that I am right with God? It is evidence of God's amazing grace that He has provided a clear, complete, and final answer to that most important question. We can be sure of full forgiveness of our sins and acceptance with God through His act of JUSTIFICATION. None of us can afford to be content with dim, indistinct or inaccurate ideas regarding this fundamental doctrine of the Christian faith. We urge you to give a careful hearing to every message in this series.

The Bridled Tongue Albert N. Martin

TE-D-M6 messages in MP3 format\$6.00

Our Lord solemnly declared: "You shall give an account of every idle word." The Holy, Eternal, Almighty God hears and records our every word. Yet James tells us, "No man can tame the tongue." In this series of sermons, Pastor Martin describes the Biblical Bridle which, under God's blessing, can be constructed and used to control this "smallest of members," this "world of iniquity"—the tongue.

The Use of the Tongue A. N. Martin

By your words you shall be justified and by your words you shall be condemned. (Matthew 12:37). Second only to the sins of the mind and of the thoughts, no sins are easier to commit than are the sins of the tongue. Pastor Martin deals with the crucial importance of the use of the tongue, five major sins of the tongue, and Scriptural directives to help us tame this "unruly member." We encourage every believer to listen, to learn, and to live in the light of these messages.

Are You for Real? A Study in Self-Deception A.N. Martin

In this series Pastor Martin guides us in self-examination by preaching from some of the most searching texts in the New Testament & urging us to test our doctrine, experience, & practice in their light. Reminding us that the possibility of self-deception is real, as evidenced by the examples of those in Scriptures who were so deceived, he carefully exhibits the marks of true conversion & distinguishes them from counterfeits. In the light of the day when we must all give account of ourselves to God, no more urgent question can be asked than that which this series raises. These tapes are one means of testing ourselves now, so that we may face that day with confidence.

God's Way of Rearing Children **A. N. Martin**

EY-D-C4 audio cassettes\$12.00

If you're looking for an excellent, brief study on child-rearing, consider these four messages. In an entirely fresh approach Pastor Martin marks out the foundation of parenting, the first of which is accepting your God-given authority. He then opens up the divine resources that are available to help every believing parent in carrying out this task.

Studies in Biblical Child Rearing **Gary Hendrix**

NE-C-C4 audio cassettes\$12.00

Man-centered theories on child-rearing have failed to produce well-adjusted, morally strong children. And so there is a great need for the truth of God on this subject to be brought out of the shadows and again declared in our society. Believing that God has spoken infallibly in his Word, Pastor Hendrix outlines the Bible's teaching on child-rearing. In the first message you will learn what God has said about who your children are, and what they really need. The second message focuses on parenting, showing that it is not just a relationship but a divinely appointed office. In the final two messages, Pastor Hendrix applies the Scriptures to the special problems facing today's Christian parent.

Dealing with Our Spiritually Awakened Children

A. N. Martin

TS-C-C4 audio cassettes\$12.00

Christian parents pray that their children will be awakened to spiritual realities. They rejoice when sons and daughters begin to ask questions like, "how can I know if I have a new heart?" But then they face a dilemma. How do you counsel an awakened child? How do you discourage false assurance while not driving your child to despair? These are the types of questions you will find answered in this ground-breaking study.

Here is a series of studies for every parent seeking wisdom from God. Through an extensive exposition of Ephesians 6:4 you will learn the seven qualities of an effective, nurturing father as found in the book of Ephesians; how to avoid an adversarial relationship with your child; how to keep from discouraging your child; and the only effective means of parental nurture—chastening and admonition.

How NOT to Foul Up the Training of Your Children

Expository Preaching

This may be the most comprehensive and usable study on Christian parenting you'll ever find. At the same time it is not just a series for parents. In fact it may be revolutionary in bringing you to an understanding of yourself and the factors that have influenced your spiritual, social and emotional life.

• *Unit one begins with two seldom asked but urgent questions: what kind of child abuse are Christian parents in danger of, and how can they guard against it? Pastor Martin then deals with the emotional and spiritual climate of the home and points toward the biblical ideal of warmth, intimacy and spiritual reality.*

• *Unit two takes up the first major parental duty: chastening. You will see its necessity, its God-like nature, and the most common failures associated with physical punishment. Useful counsel will help you understand the goal of spanking, when it is justified, and precisely how to administer it.*

• *In units three through five the second major parental duty—admonition, or verbal instruction—is taken up. The heart of this section is a detailed survey of Proverbs where you will discover the important themes of which Solomon continually spoke to his son. Unit five closes with various practical concerns like Scripture-memory, catechetical instruction, and manners. A final pastoral plea urges listeners to bathe their efforts in persistent, believing prayer.*
